# KRIEMHILD

Kriemhild is black and she got 400 horsepower. That's  
 enough for one Beast. And if I ride my sweet little baby,  
 I'm king...  
 This baby is one hell of a Beast.

## Loads of whiskey

I was prepared pretty well...  
but nobody came around to have a  
drink with me.....So i had some  
with myself.

Later on, when I was still alone,  
I felt like drowning my bitterness  
on this fact in more drinks.....

# then

# it was a shame

in the end i even had to clean up  
myself because there was no one to do  
that for me....

Sometimes our temperament is going off with us, and we smash our instruments and stuff..yeah that's cool!!!!

# OUR BAND

# THE FURIES

Hi, this is me, beast and my friend beauty, called black beauty. We have a band: "the furies", you know like Fury the horse.

# FUN AND destruction

That's "blackBeauty"  
our bass player....

We play Rock'n'Roll, the only  
real kind of music.....

I'm playing drums, cause that's  
what rocks most...

# 1ST FLOOR LAS

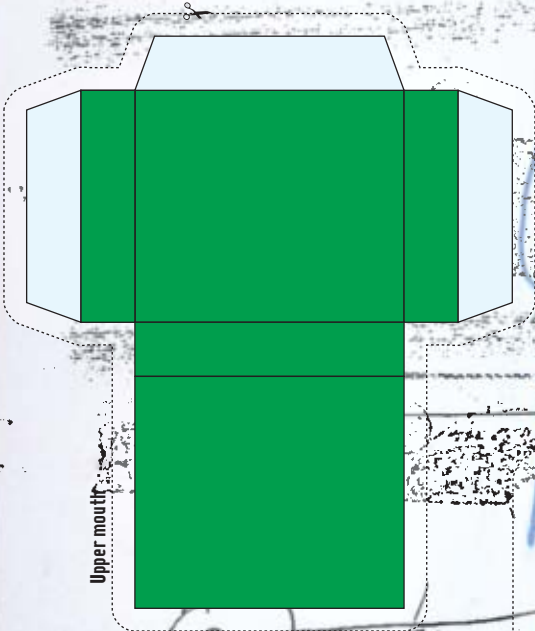

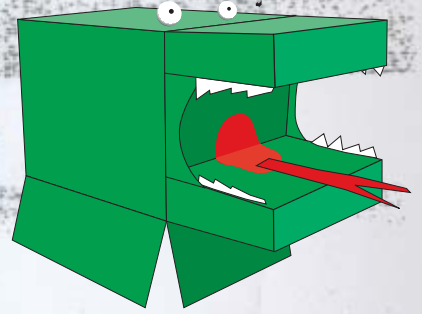

VEGAS  
MONEY saver

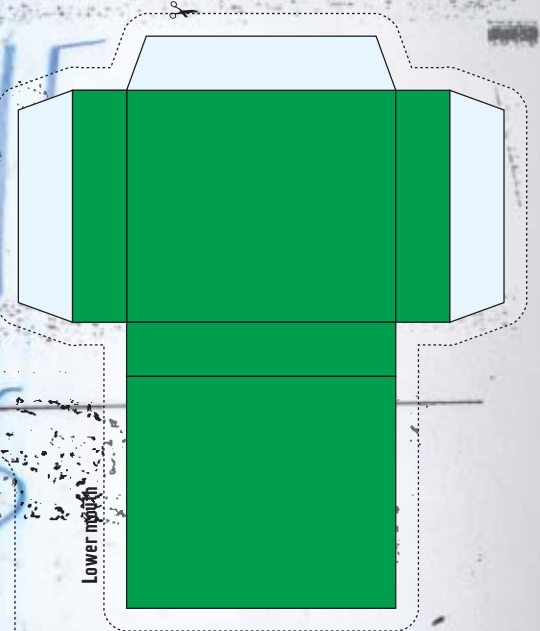

I found my home just where i found the fun. My only real excitement apart from cruising around with KRIEMHILD (and smashing hedgehogs) is wasting my money in Las Vegas. As I was thrown out of most of Las Vegas' casinos, I opened a club of my own, above which I reside.
