TO: Eths?

Hello asshole!

let me introduce myself. my name is
HANS. Do you remember me? I send you
postcards with critics about your lame Design

I'm working here in germany, as a creative
director in a well known and successful
agency. The salary I got is higher as every
payment you ever got or will get, asshole.

Well, now I have enough of your bad
design. The game is over. I warned you!
I told you that you are shit, I told you that
your design is ugly and actually not design
at all. I puke all over me. Why do you
don't give up? WHY? I told you that you
don't make ART. All of your shit is random
And I got not inspired by it. CRAP!
And the PORNO shit in Beast is intolerable!

PORN IS NOT GOOD. PORN IS NOT ART.
You Beast isn't a Magazine. Beast
has no content. Enough is enough,
shitface.

NOW, I show you
what good design is about!

Design and advertising for good
people. I set an example for you!

LOOK and LEARN!

Asshole

And never forget:

I hate you

Sincerely yours,

HANS
